San Antonio, TX – By demonstrating compliance with The Joint Commission's national standards for health care quality and safety, Texsan Heart Hospital has earned The Joint Commission's Gold Seal of Approval™.

Founded in 1951, The Joint Commission is dedicated to continuously improving the safety and quality of the nation's health care through voluntary accreditation. The Joint Commission's on-site survey of Texsan Heart Hospital occurred in January.

"Above all, the national standards are intended to stimulate continuous, systematic and organization-wide improvement in an organization's performance and the outcomes of care," says Mark Pelletier, R.N., M.S., executive director, Hospital Programs, Accreditation and Certification Services, The Joint Commission. "The community should be proud that Texsan Heart Hospital is focusing on the most challenging goal -- to continuously raise quality and safety to higher levels."
